TIME TO BE POSITIVE

Finally, the economy is beginning to grow and the benefits are being felt.

Transaction numbers are improving and we have reason to be hopeful. The property market is key in sustaining lawyers businesses and the economic environment in which we operate and

we can now begin to plan and look forward!

Competition is always a threat, but maintaining a focus on your core skills means that you can weather the storm and come out the other side stronger than ever.

As ever our decision has been to remain a niche provider of legal services to non-resident lawyers in the areas of probate, property and litigation. Demand for these services remains undiminished and we thank all of you who have supported us during an extremely difficult economic period.

For those of you who wish to continue to be updated on progress in the UK please do sign up for our International Newsletter via our website www.fearonlaw.com. This year we have successfully completed numerous assignments abroad - even in Trinidad and Barbados - and we welcome the opportunity to meet with many more lawyers abroad in the year ahead – 2014!

Finally, many congratulations to last year's winner of the Fearon & Co. Christmas Draw 2012 who lives in the Republic of Ireland.

Merry Christmas!

A. John Phillips
