## TRADITIONAL SERVICES – 2015?

The key to success is based on personal knowledge and method of delivery.

In 1995 we introduced direct dialing to key members of staff. Now we also have immediate email contact on a daily basis with lawyers worldwide and our marketplace has expanded exponentially.

Technology has given us an ability to communicate with immediacy across vast distances and to compete at a level previously unimaginable, but it is always good to meet in person and many foreign lawyers call in to see us when they are visiting the UK.

To assist us in our endeavours Rachel Scawin joined the practice as a Solicitor in our private client department in March 2014, since when we have also moved to adjacent new offices installed with the latest computer systems.

Fearon & Co. are now recognised as a niche provider of legal services advising with reference to the laws of England and Wales, but with contacts in the Republic of Ireland, Northern Ireland, New Zealand, Australia, Channel Islands, Isle of Man, the Caribbean and worldwide.

Contact us now should you have a legal requirement in this jurisdiction and please do sign up for our International Newsletter via our website – [www.fearonlaw.com](http://www.fearonlaw.com) - and

meanwhile everyone here sends their best wishes for the year ahead.

Merry Christmas!

A. John Phillips  
Principal
