FEARON INTERNATIONAL

Fearon & Co has transformed from being a provincial law firm to an international provider of legal services to non-UK lawyers and residents – a process begun in earnest during the 1990s.

The key has been to maximise the opportunities presented by the use of the internet whilst developing close personal relationships with our clients and lawyers abroad in a wide range of jurisdictions and principally, but not exclusively, with a requirement for advice in the areas of real estate, probate and estate administration. This generates an interesting variety of work with high levels of satisfaction on both sides and growth has been exponential.

So again we have seen an increase in introductions from lawyers in the Republic of Ireland, New Zealand and Australia and we continue to expand on our connections with Jersey, Isle of Man, Northern Ireland and elsewhere in the world!

Merry Christmas!
