LAUGHTER AND ROSES!

Our Principal

The key to success is to maintain a sense of humour, appreciate the roses, and have family members working in the business as part of the team.

By doing so we have a growing international following with an understanding of what we do and achieve and knowing who we are.

Fearon & Co has maximised the opportunities presented by the use of the internet whilst developing close personal relationships with our clients and lawyers abroad in a wide range of jurisdictions and principally, but not exclusively, with a requirement for advice in the areas of real estate, probate and estate administration. This generates an interesting variety of work with high levels of satisfaction on both sides and growth remains exponential.

Again we have seen an increase in introductions from lawyers in the Republic of Ireland, New Zealand and Australia and we continue to expand our connections with Jersey, Isle of Man, Northern Ireland and elsewhere in the world!

Merry Christmas!
