ARTIFICIAL INTELLIGENCE?

It is clearly bananas to rely on artificial means until we are spent out. That's when you need a holiday. I recommend the Caribbean for this, but that's expensive.

As an alternative you might consider a more personal approach to legal services in the UK, if not already done so. And in the long run it is likely more cost effective than your time away.

Constructed in 1825 Fearon & Co has acquired wisdom and now maximises IT opportunities and personal relationships in the areas of probate and real estate.

The UK is important to us, but we now have a particular focus on the Republic of Ireland, Australia, New Zealand, Jersey, Isle of Man and elsewhere in the world as our emerging markets!

Merry Christmas!
