FEARON & CO 1825

History matters. Fearon & Co was established in 1825 and we have made few changes. The aim was to provide best advice to private clients and we continue to do so. Our ability to do so has changed, however. Telephones have helped and we now have superfast broadband connectivity at our offices in Guildford enabling us to serve a worldwide audience via the internet.

Family matters. I now have my son Alexander and my daughter Lara working in the business helping to achieve our goals. Fearon & Co remains a family business. So things are easier now compared to 1825, but life brings challenges and the ability to adapt is paramount to survival. Brexit? Let the people decide, that's my take!

Changing subject - on an international level we have experienced another significant increase in the level of introductions from Lawyers in the Republic of Ireland, New Zealand and Australia in the areas of Probate, Property and Litigation and Fearon & Co continues to expand on its connections with lawyers in Jersey, Guernsey, Isle of Man, Northern Ireland and elsewhere worldwide.

So thank you to all our contacts abroad for supporting us since 1825!

And Merry Christmas, of course!

A. John Phillips
