ADAPTING TIMES

The garden is looking better than ever and we have been redecorating the house!

Fearon & Co's offices remain a physical presence, but we are homeworking now until the end of the pandemic.

Covid-19 has driven change. No longer are we working in the old way (1825).

Technology enables us to work in a way which is mutually beneficial, and planting Olive trees is normal!

The cloud enables us to work from every location, and phones can be transferred to a destination of choice.

At Fearon & Co we embrace change and this enables us to meet client needs and the challenges ahead, and for many years to come.

Meanwhile, and on an international level, we have again seen an increase in the level of introductions from lawyers in the Republic of Ireland, New Zealand and Australia in the areas of Probate, Property and Litigation and Fearon & Co continues to expand on it's connections with lawyers in Jersey, Isle of

Man, Northern Ireland and elsewhere in the world!

Merry Christmas!
